

APEX COMMERCIAL CELEBRATES NEW GROWTH

Brookfield, WI – On the eve of their third anniversary, Apex Commercial, Inc. is celebrating new growth. Daniel Jessup, who founded Apex Commercial three years ago has presided over the Brookfield-based company's growth from 3 to 7 brokers and more than \$102 million in commercial real estate transactions.

Most recent additions to the Apex team included Gregory Burk as Vice President, Industrial Property; and Robert LeClaire, Senior Vice President focusing on the brokerage of senior housing facilities as well as a variety of apartment properties.

With nearly twelve years of investment real estate experience, Robert LeClaire has been providing professional services to Senior Housing owners and operators since 1993. This includes SNF's (Skilled Nursing Facilities), CBRF's (Community Based Residential Facilities), RCAC's (Residential Care Apartment Complexes), ALF's (Assisted Living Facilities), as well as independent apartments for the elderly and CCRC campuses.

Robert has sold over 100 long-term care facilities and has been involved in many notable transactions including individual nursing homes located throughout the Great Lakes Region, assisted living facilities in several Midwest locations, 14 Alterra Healthcare Corp. facilities, and numerous individual facilities, from as large as 757 beds to as small as 16 beds. His transactions have totaled over \$200,000,000. These clients include Nationwide Health Properties REIT, Alterra Healthcare Corporation, The Village at Manor Park (Methodist Manor), Wheaton Franciscan Ministries, Comprehensive Care Corp. Mr. LeClaire is a graduate of University of Wisconsin - Milwaukee and holds a Bachelors degree in Marketing.

Gregory Burk joined the Apex team in March as Vice President, Industrial Properties, and has over 21 years of professional sales and management experience with firms including IBM, Oracle, Cap Gemini Ernst & Young, and ADP. Greg has personally completed large multi-million dollar transactions with many of the largest companies in Wisconsin and was responsible for an organization that produced over \$100,000,000 in revenue over the past 2 years. He has extensive experience in manufacturing, distribution/retail, healthcare and financial services. Mr. Burk is a graduate of the University of Wisconsin – Whitewater and holds a Bachelors degree in Marketing.
